## FUN PARTY GAMES

**TELEPHONE CHARADES** – An all time classic, with a twist!

HOW TO PLAY:

- Choose an action that is specific, funny and very animated to act out (milking a cow, riding a bull, sky-diving).
- Have everyone stand shoulder to shoulder then look to the right.
- Starting at the left of the line tap the first person on the shoulder and whisper the action to the first person.
- That person then taps the second person on the shoulder and acts out the clue using charades rules (no talking allowed, no noises).
- Once the second person thinks they've got it, they tap the third person and act the clue out to them.
- This continues down the line until it reaches the last person, who must guess what the action is.
- This game can be a real riot because the actions change and get misinterpreted as it goes down the line. Enjoy!

## DONUTS ON A STRING

**What you'll need:** Donuts (one per person), string, rope & a blindfold.

HOW TO PLAY:

- Tie a length of rope between 2 trees/poles or you can even use your clothes line. Tie pieces of ribbon to the donuts & then to the rope so the treats hang slightly above mouth level.
- Have players blindfolded. Start on the count of 3, instruct each other to eat the entire donut – no hands allowed, without letting it fall off the ribbon.
- First one to finish the donut gets a prize!!!
